Golden Leaf had been built on providing customized, turnkey pest control and prevention protection to the health of homes and families since 2009. We are environment friendly, reliable and cost effective professional services providers in town

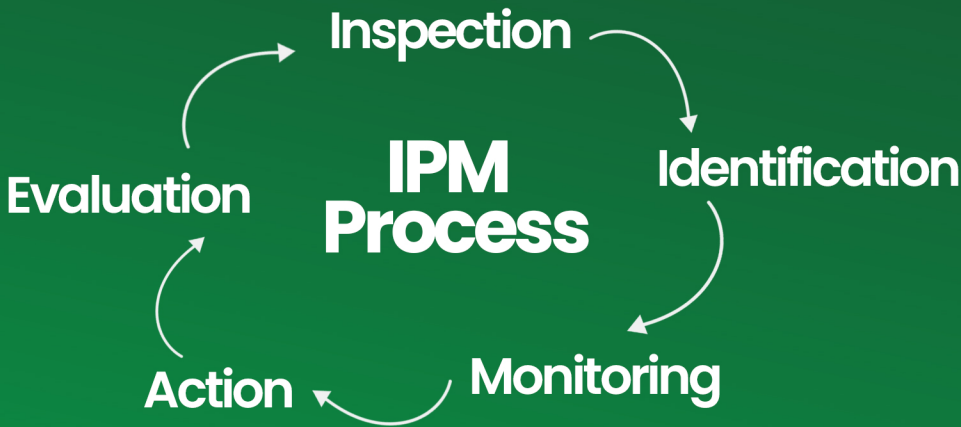

We are specialized in pest control, all levels of upholstery cleaning and plumbing sanitary services. As we have grown over the past 15 years, our clients have asked to provide other services which are in line with the commitment of high standard of service. We have brought together the expertise and capabilities of other firms with our values to help our clients achieve their goals. In simple terms, we find out what our client wants and use our contracts to help them get it as efficiently as possible
